VALKEA CANCELS NON-BROKERED PRIVATE PLACEMENT

Vancouver, British Columbia – November 21, 2025– **Valkea Resources Corp.** (the “Company” or “Valkea”) (TSX.V: OZ) (OTCQB: OZBKF) announces that, further to its news release dated October 21, 2025, it will no longer be proceeding with the previously announced non-brokered private placement pursuant to the Listed Issuer Financing exemption under Part 5A of National Instrument 45-106 – *Prospectus Exemptions*.

About Valkea Resources

Valkea Resources is at the forefront of gold exploration in Finland's highly prospective Central Lapland Greenstone Belt (CLGB). With an extensive portfolio of high-potential projects, including the flagship Paana project, Valkea Resources is committed to discovering and advancing significant gold deposits in one of the world's emerging gold districts.

Forward Looking Statements

This news release contains forward-looking statements or forward-looking information relating to the future operations of the Company and other statements that are not historical facts. Forward-looking statements in this news release include but are not limited to statements regarding the Company's exploration plans.

Forward-looking statements are based on the reasonable assumptions, estimates, analyses and opinions of management made in light of its experience and its perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances at the date that such statements are made, but which may prove to be incorrect. Management believes that the assumptions and expectations reflected in such forward-looking statements are reasonable. Assumptions have been made regarding, among other things: the Company not receiving the necessary regulatory approvals in respect of

the Offering; recent market volatility; the inability of the Company to use the proceeds of the Offering as currently anticipated; and the state of the financial markets for the Company's securities. Readers are cautioned that the foregoing list is not exhaustive of all factors and assumptions which may have been used.

Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause actual results to be materially different from those expressed or implied by such forward-looking statements. Such risks, uncertainties and other factors include but are not limited to: the Company's early stage of development; the fluctuation of the price of metals; the availability of additional funding as and when required; the speculative nature of mineral exploration and development; the timing and ability to maintain and, where necessary, obtain necessary permits and licenses; the uncertainty in geologic, hydrological, metallurgical and geotechnical studies and opinions; infrastructure risks, including access to water and power; environmental risks and hazards; risks associated with negative operating cash flow; and risks associated with dilution. For a further discussion of risks relevant to the Company, see the Company's other public disclosure documents.

Although management has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There is no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such forward-looking statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not undertake to update any forward-looking statements, except as, and to the extent required by, applicable securities laws.
